A Very Busy Month at Corner Inlet Pony Club Grounds

What a busy month. The CIPC grounds were certainly buzzing with activity during March.

The Club held a shortened rally on the morning of Sunday the 8th with Marnie Dyson acting as DC. In the afternoon there were many volunteers to assist with setting up the grounds for the Junior Committee Gymkhana which was held the following day (Monday 9th).

The following weekend (14th - 15th) saw CIPC host the WGZ Horse Trials. Thank you to all the volunteers from CIPC, BARC and other clubs who contributed to this great two day event.

On the weekend following the WGZ event, it was the BARC Horse Trials. A number of CIPC folk returned the favour by volunteering as jump judges on the cross country as well as other tasks around the grounds.

All CIPC members should be proud of our little Club - it certainly punches above it’s weight when it comes to organising great equestrian events. Well done to all those involved.

And the action continues with the Club’s 2 Day Instructional Camp commencing on March 31 just to round-out the activities for the month.

CIPC Junior Committee Open Gymkhana - 9 March 2015

The CIPC Junior Committee held a very successful Open Gymkhana on 9 March 2015. Five rings were operating; Open, Pony Club, Open Jumping, Novelties and Fun Ring with Fancy Dress held during the lunch break.

A highlight of the day was the acknowledgement of the outstanding and ongoing contribution of the Josephs Family to the Club with the official opening of The Josephs Family Arena. Mrs Terri Josephs ran a very entertaining ring. A feature event was The Apple in the Hay (similar to musical chairs but on horseback with the apple as the prize). This was greatly enjoyed by all the young riders, parents and spectators; and some of the ponies who came into the ring and opportunistically took a mouthful of hay on the way!

Congratulations to the following riders and their steeds:-
Open Pony Hi-Point - Ayla Hand (Ruby Rose).
Open Galloway Hi-Point – Alexandra Diprose (Kapeta Kip)
Open Hack Hi-Point – Kelly Newman (Identity)
PC Ring Hi-Point 12 yrs & under – Teneisha Hill (Chandie)
PC Ring Hi-Point 13 yrs & over – Tanya Turvey (Rosie)
Games Hi-Point – 8 yrs & under – Emily Rerden (Harry)
Games Hi-Point – 9-13 yrs – Anna Scott
Games Hi-Point – 14-17 yrs – Amber Rerden (Brianna)
Open Hi-Point - Coby Elmore (Benson)
Irmer Esler Trophy – Elli Clavarino (Money Muncher)

Many thanks to our very generous sponsors – some wonderful prizes were distributed; our judges - Mrs Terri Josephs and steward, Lesley Elliott for the Fun Ring; Barb Wright and Keren Collins for the Novelties Ring; Janice Carter (ably assisted by her mother) for the Open Ring; Adeline Collins for judging the show jumping and designing the course – and Andrew and Scei for working hard all day; Tammy Grimley for taking care of the very busy Pony Club Ring (and Paula Elmore – Steward), our tireless District Commissioner, Deb Collins; the many volunteers who helped the day run smoothly and the weather Gods who did us proud.
Our two February rallies have been quite hot – but also lots of fun since we have included our active/games sessions back into our rally plan. Tarwin Lwr PC joined us for a joint rally on 9th Feb and enjoyed their day.

Welcome to Vee Fierens and her children Louis and Chloe Fulkerson, who have transferred to CIPC from Meeniyan. Also welcome back to Rochelle Storr and her lovely new pony – good to have you back Rochelle!

There are new PCAV rules for instructors which means only those registered on the PCAV NCAS Database are allowed to instruct at Pony Club – so this may affect who we get as instructors in the short term. We hope all our regular instructors will register so we can continue to use them.

Thanks to our instructors this month - Shane Simpson, Erin Milford, Tammy Grimley, Jenny O’Sullivan, Marni Hamilton, Adeline Collins & the other NCAS Prelim instructors (Sophia Landy and Molly Barry) who taught at the last rally. I have enjoyed getting out with our younger riders too this month.

The Cross Country Course upgrade is almost finished with only a few jumps left to be moved and built - huge thanks to Alan Josephs for his continuing help on this- Alan spends a few hours almost every day at our club. The grass arena is always quietly mown before every rally – thanks to Chris Tuttle, Alan and Tayla Josephs for doing that.

Ellie’s Dad - Max Clavarino has replaced the water pipes to the PC grounds so THANKYOU Max . Riders be careful of the trenches across the grassed areas and carpark.

I hope to see as many riders from CIPC as we can muster – to enter the WGZ Horse Trials on 14th/15th March. We will have a couple of xc training nights for Grade 5 riders at the PC grounds- Monday 23rd Feb at 4:30pm - 6:30pm and Thursday 26th Feb 430 pm - 7pm. The next week we will have a dressage training night – Monday 2nd March at 430pm. No need to book- just turn up.

The WGZ Games qualifiers are coming up on 26th April 2015 - the teams are made up of 6 – 7 riders and I hope to see some new faces joining the CIPC team this year. The team is made up of mixed age groups. We learnt the Postmans Chase and Mug Shuffle at the rally today and we have some great little games riders in our club.

Our camp will be on 31st March/1st April and entry forms are out. You need to enter early as this fills up fast – post your forms and money to the address on the form. The entry forms are on Facebook and our website and have been emailed to all members.

We still need another PC person to join the arena committee- only 3 or 4 meetings a year to just keep track of decisions and upkeep of the arena. No previous experience required!

Don’t forget to support the Foster Show next weekend- you can enter the PC events and it is a great day.

Also our own CIPC Gymkhana is on 9th March- so I hope to see all of our riders out and representing our club. The Junior committee will need all of us to help at the gymkhana so please be generous with your time so all riders and families can enjoy the day.

With the Horse Trials & Gymkhana events coming up we always have lots of work to do at the grounds and would appreciate as much help as we can get from our PC families. Please give a couple of hours when you can. We need the grounds mown before the gymkhana and HT so drop by when you have a couple of hours and mow some of the grassed areas please. Also the XC tracks need whipper snippering and any branches picked up.

….and finally I need to remind all parents and riders that we have a strict Code of Conduct at our Pony Club which everyone must comply with.

So much work goes into running rallies - parents work hard setting up/packing up and assisting during the day, instructors give up their Sundays to come and teach. Hayley’s Mum Jocelyn Wood spends all day in the canteen making sure we have fantastic food to eat. Dani Hillbrick books the instructors for us – so many people put in their time for no payment. A lot of parents never get to see their children ride as they are busy working at the rally.

Riders - please be respectful of your parents, other riders and the instructors while at Pony Club – it costs nothing to be polite and to try your best. Be on time for gear Check and for your groups. Look after your horses and be kind to them - whips are to help your horse go forward as an aid for your legs- not to punish the horse. Any bad behavior will be dealt with by removing the rider from the group.

Parents - please refrain from making negative comments to instructors & your children whilst under instruction – the instructors do their best and so do the kids. Do not enter the arena during instructional sessions unless the instructor asks you to. ( Eg: to help move equipment or put up jumps- maybe to lead a nervous pony.) . Our kids are often capable of much more than we imagine and it’s so important to give them that independence so they can build their confidence.

Happy and safe riding till our next rally - good luck to those out competing!!
